CHOW CHOW FANCIERS OF CANADA PRESIDENTS' MESSAGE

On behalf of the Chow Chow Fanciers of Canada, I am delighted to welcome exhibitors from both Canada and the United States to our first National Specialty being held in British Columbia. The organizing committee has been hard at work for many months and their efforts have produced an excellent show with lots of enjoyable events for everyone. Many thanks to all the club members who have devoted so much time and energy to make this weekend a success. Specialties are a wonderful opportunity for fanciers to renew old friendships, make new ones and most of all, promote and celebrate our magnificent and beloved chows. It is, after all, the chows that have brought us together at this show and their welfare and future are in our hands.

I am sorry I am not able to attend the show but I'm sure I speak for chow fanciers in all parts of Canada when I send, from one side of the country to the other, very best wishes for a successful and enjoyable weekend.
