"Panda" is a ten-year-old daughter of Am. Ch. Eastward Liontamer of Elster -- the top winning sire who was BOB at the Chow Chow Club Inc. National Specialties for a record breaking number of years. Her dam, Audrich's Blue Duchess Rojan, is all Pandee breeding and has passed on the Pandee soundness of structure to this bitch. Panda was Canada's top winning female in 1976 and also was Winners Female at the Chow Chow Club Inc. National Specialty that year. Panda earned her Canadian title with a group placing and was never defeated by any bitch competition in Canada. She has all her U.S. majors, one earned under Clif Shyrock by defeating bitch specials for Best of Opposite to Ch. Starcrest Lemon Drop Kid. Panda is the foundation bitch for Lionheart and has a Champion to her credit, the group placing Ch. Richard the Lionheart. She exemplifies the healthy, sound and mentally stable Chow Lionheart endeavors to produce by basing our breeding program on Pandee.
