President's Message

Once again the Chow Chow Fanciers of Canada are pleased to hold their annual Specialty in conjunction with the Lower Mainland Dog Fanciers Shows. On behalf of the club, I want to express heartfelt thanks to all the hardworking members and friends who have made the show a success.

Specialties provide a wonderful opportunity for all of us who love our Chows, whether as exhibitors, breeders or enthusiastic fans, to get together to celebrate the breed. We watch new puppies, admire the top winners and get a little teary when we talk about our beloved "Old Guys". What better place for newcomers to get an introduction to the breed we cherish and whose future we are responsible for?

The Chow Chow Fanciers of Canada is a small club, with its members scattered across this large country. It's often very hard for us as members to get a sense of "belonging", of being associated with other people who share our commitment to the Chow Chow. The National Specialty gives us a focus for our interest and endeavours. To the exhibitors at the show this year, best wishes for success and to all who attend and participate, best wishes also for an enjoyable weekend...Judith Tulloch

All the Chow folks in British Columbia welcome everyone to the 1997 Chow Chow National. Our hopes and goals are high to give you one of the best times with good fun, great prizes, and a wonderful auction. Thank you all for your support shown here and in the past. Without such help we could not make this weekend possible. Best of Luck to all our exhibitors.....CCFC-BC
