Chow Chow Fanciers of Canada

Hello Everyone,

Welcome to our Whale of a time National.

One more year, one more National, it has been a year of many changes and tragedies. I would like to dedicate this show to the memory of all the people lost in the plane crashes, the Pentagon and the Towers in New York. My heart goes out to all the families and friends. I hope the coming year is only filled with good things but I know our future is going to be full of uncertainty.

I wish each and every one of you good luck and I hope you all have a wonderful time at this National. I wish you nothing but good memories and lots of puppies.

I hope you have a whale of time.....

Your President,

Kitty Egan
