Champions and Championship Points

Section 1. A dog awarded WINNERS at a championship show held under these Show Rules shall be credited with a number of championship points (ranging from 0 to 5) and the determination of the number of championship points to be credited to a dog awarded WINNERS shall be provided hereunder.

Section 2. The schedule to be employed in the determination of the number of points to be allocated to a dog awarded WINNERS shall be as follows:

Dogs competing*	1	2	3 to 5	6 to 9	10 to 12	13 or more
Points allocated	0	1	2	3	4	5

* includes the dog awarded Winners

In counting the number of eligible dogs in competition, a dog that is disqualified, dismissed, excused or ordered from the ring by the judge shall NOT be included in the calculation for championship points. To determine the number of championship points earned by a dog awarded WINNERS, total all the dogs in competition which the dog defeated directly or indirectly, for the highest of the following official breed awards: Winners, Best of Winners, Best of Breed or Best of Opposite Sex and then consult the schedule as set forth above.

A Message From the President

On behalf of the Chow Chow Fanciers of Canada, I am pleased to welcome exhibitors and spectators to our 2006 National Specialty. Many thanks are due to the organizers of the show, especially Zerilda Boleska. All the volunteers have worked hard to make this an enjoyable and exciting event. Specialty shows give us the chance to renew old friendships and make new ones, but best of all are the dogs – new puppies starting their show careers, adults in their prime and our much loved veterans, strutting around the ring enjoying their time in the spotlight. Best of luck to all exhibitors and best wishes to everyone for an enjoyable weekend.

Judith Tulloch

President, Chow Chow Fanciers of Canada

Year of the Dog

To recognize the beginning of the Lunar New Year (January 29, 2006), Canada Post has issued a Year of the Dog commemorative.

"The premise of the design," says Joe Gault, the issue's designer, "was the dog as a symbol of protection. That led to the idea of the dog as a gatekeeper, and this is why the dogs in both the stamp and souvenir sheet are placed in arched temple gateways. Protection of the home and family is also a very important part of the dog's symbolic meaning, and to reflect this, the souvenir sheet portrays a pup along with its father and mother."

The CCFC-AB is proud to offer these beautiful stamps, First Day covers and Souvenir Sheets as trophies at the 2006 National Specialty. "(It is) comforting to know that the 2006 calendar is beginning with a celebration of loyalty, security, friends and family. That's something everyone can appreciate. Happy Year of the Dog!"
